3. Purpose of the Agreement

Sasebo City has adopted “public-private partnership” as a core principle of its 7th Comprehensive Plan and is promoting initiatives to achieve various policy goals through close collaboration between the public and private sectors.

As part of public-private partnership initiatives that leverage the expertise and know-how, Sasebo City will enter into a Comprehensive Partnership Agreement and implement a range of initiatives aimed at revitalizing the local community and improving public services.

Based on this agreement, Sasebo City and SocioFuture Co., Ltd. will work closely together to address regional challenges and achieve sustainable community development.

[Overview of the Comprehensive Partnership Agreement (Current Initiatives)]

1. Economic Policy

- Co-operating the Foreign Workforce Acceptance Council to promote the recruitment and long-term retention of foreign talent.
- Conducting surveys on foreign workers employed by companies within the city, along with analysis and discussions aimed at addressing related challenges.

2. Cultural and Sports Policy

- Analyzing surveys on the daily lives of foreign residents within the city, along with discussions aimed at addressing related challenges
